TESTIMONIALS

Wayne Cao, Retired Calgary MLA

Being prepared for disastrous events takes preplanning, training, and community participation. Bridges of Love is sharing their vision by facilitating widespread preparedness activities, providing education on emergency preparedness, networking across public, private, and government sectors, churches, and with local communities.

It is with great pleasure that I offer my highest recommendation for Marg Pollon, Founder of Bridges of Love Ministry Society. She embodies faithful and selfless service to others, unwavering commitment, demonstrating genuine passion for a worthwhile cause that will benefit communities in Alberta and across Canada.

Dr. Arthur Bradley, Scientist and Author

As the author of four national bestsellers on disaster preparedness, including the *"Handbook to Practical Disaster Preparedness for the Family."* I strongly endorse Bridges of Love's vision having churches engaged in local emergency relief during widespread disasters. It is of little surprise that during and after disasters, citizens often seek assistance from their local churches, either in the form of shelter, food, or simply consolation to help cope with their losses.

I appreciate and applaud Bridges of Love Ministry's goal to see churches more ready to respond to the needs of their communities.

WHY DOES BRIDGES OF LOVE EXIST?

As followers of Jesus Christ, we have been given the Great Commandment to love God and our neighbour. Bridges of Love Ministry provides opportunities to live out our faith. Emergency Preparedness became our connecting bridge mobilizing the local church to be prepared to respond to the needs of their communities during times of disaster through our Faith Emergency Preparedness Initiative ((FEPI). Community Emergency Response Team (CERT) training followed, providing basic training for both church and community members.

PASTOR ALLAN POLE, New Beginnings Church

"Just imagine the impact we could make if each follower of Jesus and each Christian church served others who are struggling with personal and large-scale emergencies! I commend to you the vision of Marg Pollon and the work of Bridges of Love and make myself available to help where needed. I encourage and invite all pastors and churches to do the same."
